I, George A. Quevedo, declare the following: On Dec 19, 2023, Defendant Tomas Marques-Ruiz, was ordered released under \$100,000 appearance bond. Mr. Marquez-Ruiz was ordered to participate in the location monitoring program on home detention. On July 8, 2024, US Attorney Mari Song agreed to stipulate having Mr. Marquez-Ruiz from location monitoring modified to curfew monitoring as suggested by US Probation and Pretrial Services Officer Christianne Elliot.

Defendant Mr. Tomas Marquez-Ruiz has performed well under his current location monitoring home detention since December 19, 2023 and with no violations. He is requesting a modification to help with taking care of his three (3) children. His wife has a fulltime job and seeking a degree in nursing. As the owner of the business, defendant's trucking business needs his personal and direct attention to continue the business of deliveries.

I declare under penalty of perjury that the foregoing is true and correct.

Executed this 11th day of July 2024 at Monterey Park, California.

Respectfully submitted by
